

HOW TO USE QUALIFAX TO CHECK WHAT SUBJECTS YOU NEED:

1. Go to www.qualifax.ie - click on red **STUDENTS**

2. Click on **Subject Choice** on far right column

3 Click on Minimum Subject Module

The screenshot shows the Qualifax website interface. The top navigation bar includes links for Home, Students, Adult learners, Guidance professionals, Parents / Family, News, NFQ, and My Account. A sidebar on the left lists various resources under the heading 'In this section', including Students, Career Events, Choosing a Career, Course Finder, DARE and HEAR, Frequently Asked Questions, How to use Qualifax, Support and Advice, and Useful Tools. The main content area is titled 'Course Search - Subject Requirements Module'. It contains a message: 'All courses referred to in this section are Third Level CAO entry. The Course Data in this section is for the CAO entry in 2015. Please select one of the following:' followed by two buttons: 'Junior Certificate Subjects' and 'Leaving Certificate Subjects'. The bottom of the page shows a Windows taskbar with the date 23/03/2015 and time 13:55.

4. Click on Leaving Cert. Subjects

The screenshot shows the Qualifax website interface, specifically the 'Subject Requirements Module'. The top navigation bar and sidebar are the same as in the previous screenshot. The main content area is titled 'Subject Requirements Module'. It includes a search bar with the text 'A Science Subject' and a dropdown menu. Below the search bar, there are several filters to narrow down the list of courses: 'Only show courses from this CAO course provider:', 'Only show courses offered in this Province:', 'Only show courses offered in this county:', and 'Only show the course with this CAO code:'. Each filter has a dropdown menu with the value 'Any'. At the bottom of the filters, there are 'Search' and 'Reset' buttons. The bottom of the page shows a Windows taskbar with the date 23/03/2015 and time 13:55.

5. Enter Subject e.g. Science and click Search.

The screenshot shows the Qualifax website interface. The top navigation bar includes links for Home, Students, Adult learners, Guidance professionals, Parents / Family, News, NFQ, and My Account. A search bar is located in the top right corner. The main content area is titled 'Select Courses To View' and displays a message: 'There is a total of 211 courses that match your search requirements. Please select one of the options below to view your results.' Below this message, there are three radio button options: 'Definitely requires: A Science Subject - Total of 150 courses', 'May require: A Science Subject - Total of 64 courses', and 'Does not require A Science Subject - Total of 1173 courses'. There are 'View Courses' and 'New Search' buttons. A sidebar on the left lists various sections like 'Students', 'Career Events', 'Choosing a Career', 'Course Finder', 'DARE and HEAR', 'Frequently Asked Questions', 'How to use Qualifax', 'Support and Advice', and 'Useful Tools'. The 'Useful Tools' section is expanded, showing links for 'Interest Assessment', 'Interest Assessment follow up', 'Minimum Subject Requirements', 'Points Calculator', 'Points Information from CAO', and 'UCAS Points Information'.

6. Select one of the three options and click Search, this will generate your list.

The screenshot shows the Qualifax website interface displaying a list of 150 search results. The results are presented in a table with three columns: Code, Course, and Course Provider. The table lists various courses such as Architecture, Athletic Therapy & Training, Biological & Biomedical Sciences, Biopharmaceutical Chemistry, Biotechnology, Clinical Speech & Language Studies, Construction Management & Engineering, Dairy Business, Dental Hygiene, Dental Nursing, Dental Technology, Dentistry, Design & Manufacture, and Engineering. The table is scrollable, and the first 150 results are shown. The sidebar on the left is the same as in the previous screenshot, with the 'Useful Tools' section expanded.

Code	Course	Course Provider
DN120	Architecture - Landscape Architecture	University College Dublin
